Our Funeral Services & Packages

Traditional Attended Funeral

The most popular and respectful funeral choice by our clients, where you can gather with friends and family to celebrate and reflect on the life of a loved one. With the traditions and rites of a full attended funeral service, for a meaningful and personalised farewell - whether it be an informal or formal service, religious or non religious, for a burial or cremation.

Our professional funeral services cover all essential arrangements, including guidance with legal and administrative tasks, organising the ceremony and committal, and coordinating with venues, ministers/celebrants, flowers, order of service, online funeral notices and photo tributes.

We provide 24-hour support. We will collect and transport your loved one with dignity, and care for them in our professional facilities. We also offer embalming which is a treatment we recommend if you would like to spend time saying goodbye in our private room/chapel of rest, before the funeral.

Our funeral team and Funeral Director are here to support you before, during and after the funeral.

On the day of the funeral, we provide our Funeral Director, up to four pallbearers and a ceremonial hearse, chauffeured limousines (seating up to 6) available as required.

The cortège and driving route can be defined, meeting at a home address and passing through important streets and places, creating a unique and personalised final journey. We offer a wide range of coffins and caskets, as well as additional services such as specialist hearses, flowers, keepsakes, and order-of-service booklets. We also manage necessary third-party payments, such as crematorium or minister fees.

Our Funeral Services & Packages

Payment of Funeral Account

We respectfully request that a deposit is paid to us prior to the funeral. You may, should you wish, choose to pay the full funeral account in advance. The deposit we require is 50% of the total Funeral Director's Charges plus 100% of the costs for Disbursements (third party fees) and 100% of Other Products & Services you have chosen (This payment is also required for those claiming assistance from Governmental schemes). Should you choose the Unattended Funeral Package, we require full payment of the entire funeral account in advance.

Please Note: Payment is due within 21 days of the date of invoice. If the account remains unpaid after this date, we reserve the right to charge a fee in order to cover our administration costs for the recovery of any debt. Interest may also be charged to your account on any remaining balance.

Please be aware there is no need to wait for probate/confirmation. If sufficient funds are available, settlement can usually be made directly from the deceased person's bank account without having to wait for probate/confirmation to be completed. Please inform us if you intend to claim assistance for funeral expenses from Governmental schemes (e.g. DWP). These assistance payments are normally a contribution towards costs and may not cover the entire cost of the funeral so there will be a balance to be paid by you. The rules for eligibility are complex and we suggest that you speak with your Funeral Arranger for advice and guidance. In the event of an unsuccessful claim, payment of the full amount of the funeral account will be your responsibility.

We accept payment by most major Debit or Credit Cards*, Online Bank Transfer, BACS, Cash or Cheque. Please ask your funeral arranger for details. *excluding American Express and Diners Club International.

Unattended (Direct) Cremation Pricing Information

What is an Unattended (Direct) Cremation

An unattended cremation, also known as Direct Cremation Or Unattended Funeral, is an alternative to a traditional funeral, where there is no formal service and there are no family or mourners present for the cremation.

Why choose an Unattended (Direct) Cremation?

Our Unattended (Direct) cremation provides an affordable alternative to a full-service funeral, without compromising in any way at all on the care given to the deceased person. This service offers an option for those families who are either seeking simplicity, or who wish to work to a limited budget and provides the family the same level of empathy, care, and personal service as our full-service funeral arrangements.

When you organise an unattended cremation with us, we offer you the opportunity to spend time with the deceased in our private chapel of rest/rest room prior to the day of the cremation, should you wish.

If appropriate, our "Reflect & Remember" Package allows for an intimate gathering for up to an hour, for a maximum of 8 persons in our private chapel of rest/rest room prior to the day of the cremation. Please see the details overleaf regarding our "Reflect & Remember" Package.

Our dedicated and empathetic funeral arrangers will look after you and your family throughout the direct cremation arrangements.

✓ Included in our Unattended (Direct) Cremation

- Our Professional Services and making sure the necessary paperwork is completed
- Collecting and transporting the deceased
- Caring for the deceased until the day of the cremation
- Providing a private chapel of rest/rest room, during normal working hours, for you to spend time with the deceased should you wish *(at an additional charge)*
- A 'non-ceremonial' vehicle, and staff, to convey the deceased to the crematorium
- Simple wood effect veneer coffin (you can upgrade the coffin for an additional charge)
- Your choice of return of the ashes to you, or scattered at the crematorium Garden of Remembrance

✗ Not included in our Unattended (Direct) Cremation

- You cannot choose the day, date or time of the cremation - we will choose a time and date
- You cannot choose the crematorium - we will choose a suitable crematorium to carry out the cremation
- Family or Mourners are not permitted to attend the crematorium
- A funeral service cannot be held
- No celebrant/clergy may be present
- An urn, ashes casket or scatter tube Please Note: the ashes will be returned in a temporary container provided by the crematorium *(urns, ashes caskets and scatter tubes are available to be added for an additional charge)*

Unattended (Direct) Cremation - £1,750

Includes: Limited Professional Services, Collecting and Transporting of the Deceased during normal working hours, Care of the Deceased, a Non-Ceremonial Vehicle and Staff to transport the deceased to the crematorium or cemetery, and Simple Foil Veneer Coffin**.

Restrictions: No choice of the day, date or time of the cremation/burial and attendance of family or mourners at the Crematorium/Cemetery is not permitted. Certain additional products and/or services may be added and will be charged at the rate shown on our standard price list.

Additional charges may apply. Price shown excludes Disbursements and Third-Party Fees paid on your behalf.

Unattended Crematorium Fee - £300

The crematorium fee is charged in addition to the options chosen above.

We have an agreement with selected crematoria across the UK, under which we will make all necessary arrangements with them, and return the ashes to you after the cremation, or arrange for the ashes to be scattered at the crematorium Garden of Remembrance.

If you wish, you may specify a particular crematorium location. In that case, the fee for your chosen crematorium will be charged instead of the fee for our chosen crematorium.

Please note some crematoria allow a small number of family to attend a very brief ceremony at specific times. If this option is chosen their appropriate fee will be charged, and because there will be family in attendance, the 'Attended Funeral Package' will be charged.

Reflect & Remember Package - £1,950

Our Reflect & Remember Package allows you to arrange for a 1 hour intimate gathering for up to 8 family members/mourners in a private chapel of rest/rest room, with your loved one present in their coffin, prior to the unattended cremation taking place. All services included in the Unattended (Direct) Cremation and a Simple Foil Veneer Coffin**, as above, are included in addition to the 1 hour intimate gathering.

All restrictions for the Unattended (Direct) Cremation apply, as outlined above.

For families who prefer the simplicity of an Unattended cremation, but wish for the deceased to be conveyed to the crematorium in a traditional ceremonial vehicle.

• Provision of ceremonial hearse & two members of staff

Note: All other restrictions apply, as outlined above.

Attended Funeral Package - £2,990

For families who prefer a more simple funeral, but wish to be present at the crematorium/cemetery of your choice, the Attended Funeral Package may suit your needs.

Includes: Professional Services, Collecting and Transporting the Deceased during normal working hours, Care of the Deceased, Viewing of the Deceased, Ceremonial Hearse and Staff and a Simple Foil Veneer Coffin**.

The Attended Funeral Package is an upgrade on the Unattended (Direct) Cremation and is priced at an additional £1,240 over the charge for an Unattended (Direct) Cremation.

Restrictions: Restricted choice of the day and time of the funeral (Monday - Friday before 10:30 am or after 3:00 pm), the funeral service and committal must be at the same venue, restricted cortège route (hearse will leave from the funeral home and travel directly to the crematorium), viewing during normal working hours only and arrangements must be made at the funeral home. Additional products and services can also be added at the applicable fees and the coffin type can be upgraded for an additional charge.

Price shown excludes Disbursements and Third-Party Fees paid on your behalf.

Please Note: if the Attended Funeral package is chosen, the crematorium fee is likely to be considerably higher than the £300 shown above. We are able to advise you of the precise options and fees at your chosen crematorium.
